To Whom It May Concern:

Bright Angels Intl. Inc.: is a Non-Profit organization that helps individual and/or families in crisis. We work in conjunction with others communities' organizations at local and International level.

Mobile Pantry Express: is our Feed the Hunger Program. Our mission is to bring free food to those in need, regardless of race, color, religion, and condition or immigration status.

This program is for senior's residents of Orange, Seminole, Osceola, Lake and Brevard counties. We know that frequently a family or individual runs out of food stamps or are economically challenged at the end of the month and can not purchase food. This program is meant to assist those individuals by delivering a bag of groceries (10 – 12 lbs.) right to their door at no charge (FREE)

How the program works?

1. You request an application from Bright Angels Intl., or our partners.
2. Fill out the application and fax it or mail it to us.
3. We will go through all the applications and rank them in order of the most worthy to receive the groceries to the least likely.
4. We will contact you to arrange for a date and time for the delivery.
5. We encourage senior's center, neighborhood, and/or seniors housing to come together and organize a distribution "site".

Profile of Communities in Need:

- Hundreds of elderly live with a low fixed income, and they are faced with the decision of either buying food or medication.
- Disabled populations are in need of all kinds of assistance.
- Thousands of immigrants face hunger, sickness, and housing needs.

How can you be part of the "Solution" help us help others! Partner with us, together we can make the difference.

- We need to identify specific sites we can bring our services to – shelters, nursing homes, churches, apartment complexes, neighborhoods, etc.
- We need more community partners, to provide more services to our community.
- We need vehicles donated or volunteers with vehicles (RV, Van, or Bus), to bring our services to the people.

If you have any questions; please contact us!

We deeply appreciate your partnership and support in this very important mission!

Sincerely yours,
C.R. Department
