To Whom It May Concern:

**Mobile Access** is a non-profit organization, with a primary mission to provide on-site assistance for low-income families in accessing vital resources. We are very knowledgeable of community and human services resources. We work in partnership with other non-profit agencies that share the common goal of helping communities in need.

The following are some of the Free On-site Assistance Programs and Services we provide:

Application for Food Stamps	*Glucose test
Health Insurance Services	* Blood Pressure test
Nursing Home Support Services	* Cholesterol test
Distribution of Food/Groceries	* HIV test
Resources for Household Items	* Hearing test
Clothing	* Vision test

\*Health Screening is providing at community events only, upon providers availability.

***Mobile Pantry Express*** is our Feed the Hunger Program. Our mission is to bring free food to those in need, regardless of race, color, religion, and condition or immigration status.

**Profile of Communities in Need:**

- Families and older students can't afford lunch, much less health plan.
- Many children go to school hungry or without socks.
- Teachers spend an average of \$500 a year to help care for their students' needs.
- Hundreds of elderly live with a low fixed income, and they are faced with the decision of either buying food or medication.
- Disabled populations are in need of all kinds of assistance.
- Thousands of immigrants face hunger, sickness, and housing needs.
- Single mothers can not afford to feed their children

How can you be part of the "**Solution**" help us help others! Partner with us, together we can make the difference.

- We need to identify specific sites we can bring our services to – shelters, nursing homes, churches, schools, apartment complexes, neighborhoods, etc.
- We need more community partners, to provide more services to our community.
- We need vehicles donated or volunteers with vehicles (RV, Van, or Bus), to bring our services to the people.

If you have any questions; please contact us!

We deeply appreciate your partnership and support in this very important mission!

Sincerely yours,  
C.R. Department
